It hides them behind the facade of something high. And that something is ideology. Ideology is a specious way of relating to the world. It offers human beings the illusion of an identity, of dignity, and of morality while making it easier for them to part with them. **The Power of the Powerless by Václav Havel** I only read Havel's essay "The Power of the Powerless". While it was a more difficult read, it was an intriguing take on the communist system with its symbols, the behaviours of those caught living with the system, the system's own vulnerabilities to dissent and legal challenge, and Havel's own conclusion that a democratic system isn't necessarily the best alternative. **Havel, Power of the Powerless, 1978 - Hanover College** Vaclav Havel "The Power of the Powerless" (1978) Excerpts from the Original Electronic Text provided by Bob Moeller, of the University of California, Irvine. {1}A SPECTER is haunting Eastern Europe: the specter of what in the West is called "dissent" This specter has not appeared out of thin air. It is a natural and inevitable consequence of the present historical phase of the system it is haunting. **The Power Of The Powerless Vaclav Havel** **DOWNLOAD THE POWER OF THE POWERLESS VACLAV HAVEL** the power of the pdf After reading The Power PDF version we can say its a life changing book.
